Bending of type approved welded fabrics

Manufacturing of units for concrete reinforcement made of type approved reinforcing steel by binding and/or tack welding

Manufacturer's mark: 6/22

Place of manufacture: Yrittäjäntie 9, FI-27230 LAPPI

The company is entitled to use the certification mark on products fulfilling the requirements.
The certificate holder is responsible for ensuring that the products comply with the requirements.

The certificate is issued on 2025-03-01
(first issue 1996-09-10).

Maija Vanttaja, Managing Director

The certificate is based on an initial inspection, type testing, and continuous assessment of factory production control. The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met. The validity of the certificate can be verified on the Internet at www.kiwa.com/fi.
